Dear Steven:

On behalf of the Osterville Business and Professional Association – and all the residents of the Village of Osterville, I want to again thank you very much for putting up and taking down the Creche this year – and for many years in the past. But – especially this year where you have built us a new manger building. This is certainly above and beyond what we expected – and is most generous on your part and greatly appreciated by all.

It is such a vital part of our Christmas celebration, and it can only be accomplished with the help of people like you and Jack Cotton. We all certainly appreciate your contribution of time and effort.

Thank you again.

Most sincerely,

Gail C. Nightingale
